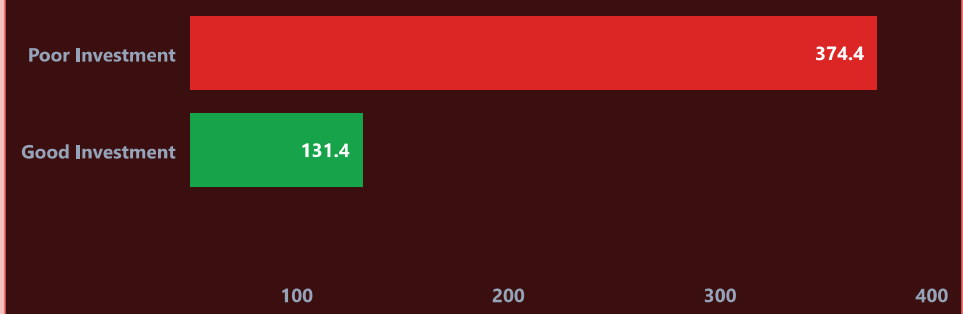
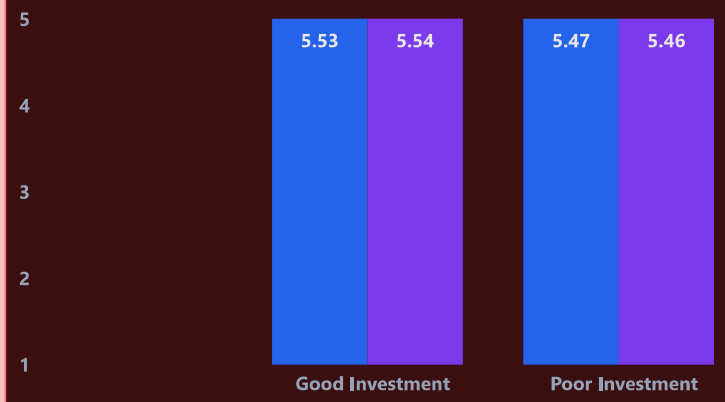
📊 Avg Score (Poor Properties)

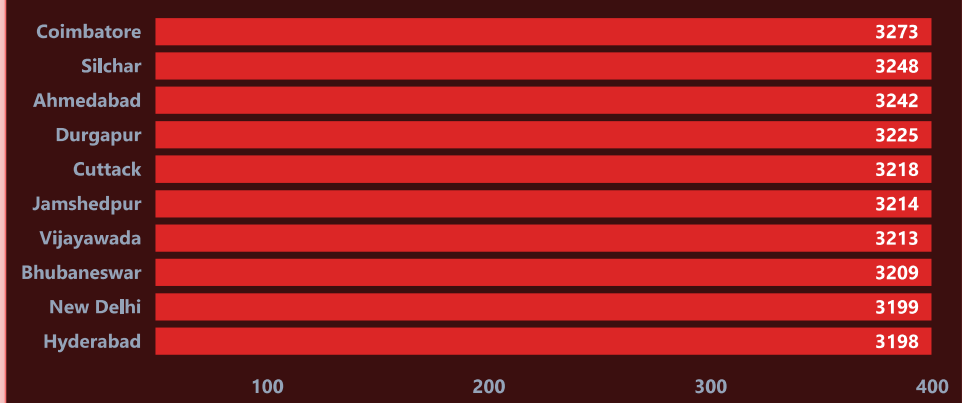
💸 Poor Investments Are Overpriced vs Good Ones



🏫 Poor Investments Have Fewer Schools & Hospitals Nearby



⚠️ Cities with Most Poor Investments — Avoid These



❌ A property is flagged as Poor Investment when:

- Price exceeds the city median — you're overpaying
- Price per Sq.Ft is above area average — low value for money
- Fewer than 2 nearby schools — poor family appeal
- Low transport accessibility — harder to resell
- Investment Score below 6 out of 10
